Over 20 years experience.

PASSAN has been operating on haberdashery market since 1991. Gained over these years experience and wide technical knowledge allow us to provide our Customers with first-quality products at a competitive prices.

High-quality and solid products.

Our priority is to distribute the highest quality products. We do our best to sell only free of defects and maintaining all declared parameters products. What is more, each order is carefully prepared and delivered on time.

Competitive prices.

PASSAN is the biggest producer of decorative haberdashery in Poland. Used in our company raw materials are bought directly from producers (excluding middlemen's participation) what along with modern technique, allow us to offer articles with a perfect proportion of quality and prices.

Modern machine and technical facilities.

Our company can be proud of one of the most modern machinery and technical facilities available in haberdashery industry. Our machines are purchased from many recommended European companies, such as COMEZ. PASSAN is also equipped with electronic control machines which effectively accelerate the process of new designs' creation.

Experienced Staff.

The next strong point of our company is reliable and experienced workers team. About 90% of our personnel have been employed here for more than 10 years.

Innovative attitude.

PASSAN improves its production processes and products' quality by purchasing new machines every year. Moreover, our technicians constantly work out their own, innovative production methods which gives our company advantage over the others, especially as far as quality and prices are concerned.

Wide offer.

There are over 400 designs of haberdashery products in permanent sale. When multiplying them by all available colours, we will reach a great number about 3 500 items. All of them are almost all the time in stock – we take care about the proper supply.

Flexibility.

PASSAN fulfills also individual orders.

Thousands of satisfied Customers.

Our company cooperates with many Polish and foreign Customers who are content of our services. There are big wholesalers and retailers, as well as small shops, designers and private customers. The quality and convenient cooperation terms provided by PASSAN are appreciated also by a great number of producers.

The full details of prices, characteristics of products and full range of colors is presented on our website: <https://passan.com.pl/> providing platform for the place an order.

For your convenience, the site is available in four language versions: Polish, English, German and Russian

PASSAN is a family business established in 1991.

In the very beginning of the activity, our company was specialized in production one, basic product – fringes, and providing knitting services. Then, over the years, our offer was extended according to the Customers' needs and requirements.

Nowadays, PASSAN is respected within Polish and European market haberdashery producer. Our annual production is about 25 000 000 meters of haberdashery. Modern machinery and qualified staff provide our Customers with high-quality products and reliable services.

Gained experience, developed potential of producing and highest-quality materials allow us to cooperate with many Customers in Poland and abroad.

In order to complete our offer and maintain reasonable prices, PASSAN apart from production activity, is also a haberdashery importer.

Our offer includes: Tiebacks, Tassels, Pom Pom Trims, decorative Tassels Fringes, Beaded Trims, Textile-Metallic Braids, Leonine Braids, decorative Cords, Metallic Cords, Elastic Laces, Elastics, Floral Ribbons, Acrylic Beads, Flock Beads, Pearl Beads, Pompons, String Curtains, Cotton Laces and Metallic Yarns.

We are also able to prepare special haberdashery designs upon the Customer's request (with our own or the Customer's material.)

PASSAN guarantees convenient terms of cooperation and high-quality products in competitive prices.

Welcome to cooperate!
